29 The parties have submitted a stipulated motion to the Court to continue the trial, which is  
30 presently set for July 15, 2008. The continuance requested by the parties will result in a delay of trial  
31 beyond the 70 days mandated by the Speedy Trial Act, 18 United States Code, Section 3161(c)(1).  
32 The government advances the following reason for the continuance.

33 The parties make this motion because they believe that this case may be resolved without a  
34 trial. The government has offered the defendant a polygraph concerning the issue whether she and  
35 Eun Young Lee jointly submitted an application for a Guam beginner's permit. If the defendant  
36 passes the polygraph, the government will move to dismiss this indictment. The parties believes that  
37  
38

1 the interests of justice will be served by granting a continuance of the trial.

2       Having been fully advised in the premises, this Court finds that the stipulated motion for  
3 continuance by the parties are justified under the Speedy Trial Act, and accordingly finds that the Act  
4 should be tolled pursuant to 18 U.S.C. § 3161(8)(A), the ends of justice served by this continuance  
5 outweigh the best interest of the public and the defendant in a speedy trial.

7       IT IS SO ORDERED that trial of this matter shall be set to September 30, 2008, at 9:30 a.m.
